Notice of Fee Increase on October 1, 2003

If a reply to a "Notice of Allowance and Fee(s) Due" is filed in the Office on or after October 1, 2003, then the amount due will be higher than that set forth in the "Notice of Allowance and Fee(s) Due" since there will be an increase in fees effective on October 1, 2003. See Revision of Patent Fees for Fiscal Year 2004; Final Rule, 68 Fed. Reg. 41532, 41533, 41534 (July 14, 2003).

The current fee schedule is accessible from (<http://www.uspto.gov/main/howtofees.htm>).

If the fee paid is the amount shown on the "Notice of Allowance and Fee(s) Due" but not the correct amount in view of the fee increase, a "Notice of Pay Balance of Issue Fee" will be mailed to applicant. In order to avoid processing delays associated with mailing of a "Notice of Pay Balance of Issue Fee," if the response to the Notice of Allowance is to be filed on or after October 1, 2003 (or mailed with a certificate of mailing on or after October 1, 2003), the issue fee paid should be the fee that is required at the time the fee is paid. If the issue fee was previously paid, and the response to the "Notice of Allowance and Fee(s) Due" includes a request to apply a previously-paid issue fee to the issue fee now due, then the difference between the issue fee amount at the time the response is filed and the previously-paid issue fee should be paid. See Manual of Patent Examining Procedure, Section 1308.01 (Eighth Edition, August 2001).

Effective October 1, 2003, 37 CFR 1.18 is amended by revising paragraphs (a) through (c) to read as set forth below.

Section 1.18 Patent post allowance (including issue) fees.

- (a) Issue fee for issuing each original or reissue patent, except a design or plant patent:
By a small entity (Sec. 1.27(a))..... \$665.00
By other than a small entity..... \$1,330.00
- (b) Issue fee for issuing a design patent:
By a small entity (Sec. 1.27(a))..... \$240.00
By other than a small entity..... \$480.00
- (c) Issue fee for issuing a plant patent:
By a small entity (Sec. 1.27(a))..... \$320.00
By other than a small entity..... \$640.00

Questions relating to issue and publication fee payments should be directed to the Customer Service Center of the Office of Patent Publication at (703) 305-8283.

DETAILED ACTION

Reason for allowance

1. Claims 1-8 are allowed. The following is an examiner's statement of reasons for allowance:

A/ Applicant filing of the Terminal Disclaimer has overcome the double patenting rejection.

B/ None of the references of record teaches or suggests the claimed "image pickup device including electron-emitting devices " having a structure that includes:

-- "a pair of first and second substrates facing each other with a vacuum space interposed therebetween the second substrate being transparent; a plurality of electron-emitting devices provided over said first substrate on a side of the vacuum space, said electron-emitting devices each comprising:

an insulating layer deposited over an electron source layer which is formed over an ohmic electrode; and a metal thin film electrode deposited over said insulating layer, wherein said insulating layer and said metal thin film electrode include an island region as an electron-emitting section in which film thicknesses thereof are gradually reduced toward said electron source layer, and a photoconductive layer provided over said second substrate on a side of the vacuum space to photoelectrically convert an incident

light passing the second substrate into an electric signal. " --

in Claim 1.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance".
